Please state why you want to run for a seat on the PASD Board:

I have had the privilege to be on the Board for the past three years, the last of which as Treasurer. Additionally, I am the chair of the Strategic Planning Committee, serve on the Handbook Committee and a delegate for PASD for the California Conference of Bar Associations. I would love to continue my work on behalf of the Board and our community, to assist in making changes where necessary, while ensuring a smooth interaction with our bench.

Please provide any other information you would like to provide to PASD members supporting your candidacy for the Board:

I have been in the legal profession since 1989, first as a paralegal. In 1996, I became an attorney. Since 2000 I have focused primarily on all matters within the probate court, i.e., estate planning, trust and probate administration and litigation, as well as conservatorship and guardianship matters. I have been on the court appointed attorney list since 2008 and have been appointed by the court in over 110 matters since that time. I believe having knowledge in both the planning side as well as the litigation side of matters makes me qualified to serve on the PASD board. I also believe that having been a trusted court appointed attorney for so many years makes me a valuable resource for interactions with the bench.

Before my practice shifted to primarily within the probate court in 2000, I had been working primarily in civil litigation. I believe that this additional background would be helpful to the PASD Board and our legal community.
